Call for Participation

We invite you to join us in 2nd International Conference on Artificial Intelligence and Machine Learning (CAIML 2021)

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Artificial Intelligence and Machine Learning. The Conference looks for significant contributions to all major fields of the Artificial Intelligence, Machine Learning in theoretical and practical aspects. The aim of the Conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of CAIML 2021 include:

- 10th International Conference on Information Technology Convergence and Services (ITCSE 2021)
- 10th International Conference on Advanced Computer Science and Information Technology (ICAIT 2021)
- 13th International Conference on Wireless & Mobile Network (WiMo 2021)
- 10th International Conference on Cryptography and Information Security (CRYPIS 2021)
- 10th International Conference on Digital Image Processing and Vision (ICDIPV 2021)
